Army chief Naravane meets Nepal PM Oli

He promises defence cooperation

SPECIAL CORRESPONDENT
NEW DELHI

Army chief Gen. Manoj Naravane on Friday called on Prime Minister of Nepal K.P. Sharma Oli and reaffirmed that he would work to further strengthen defence cooperation between the two countries, the Indian Embassy in Kathmandu said.

The visit is significant as General Naravane is the highest ranking Indian dignitary to meet the Nepalese leadership in the backdrop of the Kalapani territorial dispute.

Nepal had protested against the inauguration of new road infrastructure in the Lipulekh-Kalapani area on May 8.

The disputed area is strategically significant as it allows India to access the Tibetan plateau.

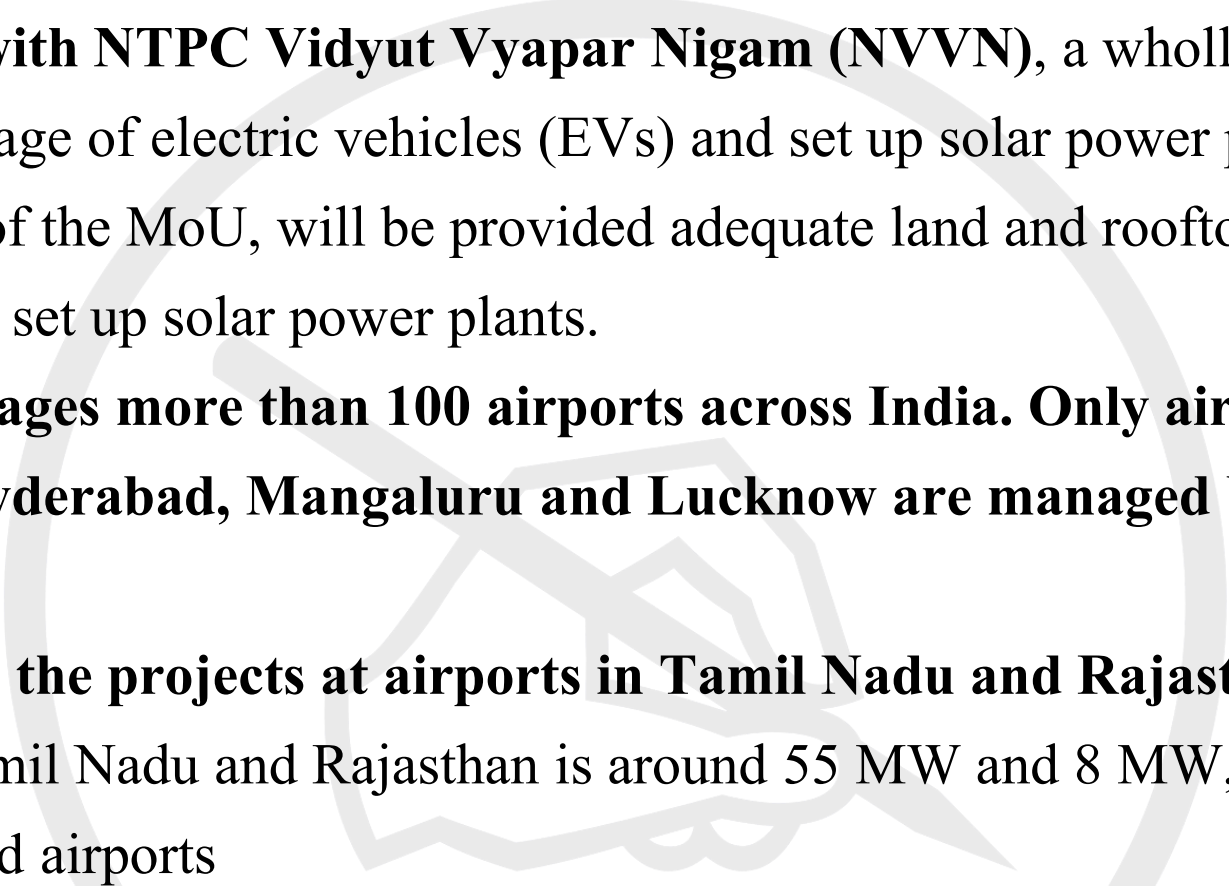

Earlier in the day, Gen. Naravane visited the Nepali Army Command and Staff College. He also presented a welfare grant to havildar Dil Bahadur Chhettri (retd.), a winner of Maha Vir Chakra, the second highest gallantry award of India.

- **The Airports Authority of India (AAI) signed a Memorandum of Understanding with an NTPC subsidiary to promote usage of electric vehicles and set up solar power plants at its airports.** / भारतीय विमानपत्तन प्राधिकरण (एएआई) ने हवाईअड्डों पर सौर ऊर्जा संयंत्र लगाने तथा इलेक्ट्रिक वाहनों के इस्तेमाल को बढ़ावा देने के लिये एनटीपीसी के साथ एक समझौता ज्ञापन पर हस्ताक्षर किये।

- 
- ✓ **The Airports Authority of India (AAI) has announced that it has signed a Memorandum of Understanding (MoU) with NTPC Vidyut Vyapar Nigam (NVVN), a wholly-owned NTPC subsidiary, to promote usage of electric vehicles (EVs) and set up solar power plants at airports.**
NVVN, under the terms of the MoU, will be provided adequate land and rooftop space free of cost at identified AAI airports to set up solar power plants.
 - ✓ **The AAI owns and manages more than 100 airports across India. Only airports in Delhi, Mumbai, Bengaluru, Hyderabad, Mangaluru and Lucknow are managed by private companies and not by the AAI.**
 - ✓ **NVVN will be taking up the projects at airports in Tamil Nadu and Rajasthan.** The solar capacity required at airports in Tamil Nadu and Rajasthan is around 55 MW and 8 MW, respectively to become 100 percent solar-powered airports

WhatsApp introduces payment services in India

To compete with Google Pay, Paytm, PhonePe, Amazon Pay

SPECIAL CORRESPONDENT
NEW DELHI

WhatsApp unveiled payments services in India following approval by the National Payments Corporation of India (NPCI) after a wait that extended for more than two years.

However, not all users in India – one of the biggest markets for the unit of Facebook – would be able to access the feature as NPCI had mandated expansion of WhatsApp's UPI user base 'in a graded manner starting with a maximum registered user base of 20 million.'

"We'll continue to work with them [NPCI] to make it available to everyone over time," the company said in

an e-mailed response.

The NPCI approval also follows another recent direction imposing a cap of 30% of the total volume of transactions processed in UPI, applicable to all third-party app providers, effective January 1, 2021.

WhatsApp, owned by Facebook, had started testing

its UPI-based payments system in 2018 and would now compete with players such as Paytm, Google Pay, Amazon Pay and PhonePe.

"Starting today, people across India will be able to send money through WhatsApp. This secure payments experience makes transferring money just as easy as sending a message," WhatsApp said in a blogpost.

"Now you can send money to your friends and family through WhatsApp as easily as sending a message," said Facebook CEO Mark Zuckerberg. "There's no fee, and it's supported by more than 140 banks. And because it's WhatsApp, it's secure and private too."

- **Former Jharkhand Chief Secretary Sajal Chakraborty passed away in Bengaluru. He was 64.** / झारखंड के पूर्व मुख्य सचिव सजल चक्रवर्ती का बेंगलुरु में निधन हो गया। वह 64 वर्ष के थे।

Former Delhi chief secretary appointed chairperson of Air Quality Commission

First meeting of the body likely to be held next week

JACOB KOSHY
NEW DELHI

Former Chief Secretary of Delhi M.M. Kutty was appointed chairperson of the Commission for Air Quality Management in National Capital Region and Adjoining Areas (CAQM) on Thursday, according to a gazetted notification from the Environment Ministry on Friday.

Other full-time members include Mukesh Khare of IIT-Delhi and Ramesh K.J., Ex-Director General, India Meteorological Department (IMD) and A.K. Nautiyal, joint secretary in the Ministry.

Ajay Mathur, Director-General of The Energy Resources Institute and Ashish Dhawan of the Air Pollution Action Group were also ap-

pointed as representatives of members from non-government organisations. Chief Secretaries or Secretaries, who deal with pollution from States of Delhi, Punjab, Haryana, Rajasthan, Uttar Pradesh and a representative from Niti Ayog as well as from the Central Pollution Control Board and the Indian Space Research Organisation would also constitute the Commission.

There was no representation from the Ministry of Agriculture. The latter was in charge of funding farmers to adopt subsidised farming equipment in Punjab and Haryana particularly to dissuade them from burning rice paddy stubble. A member of the commission told *The Hindu* that the first

meeting of the body was likely next week.

The CAQM was formed on October 28 after dissolving several pollution-monitoring bodies, including most prominently the 22-year-old EP-CA that has so far addressed air pollution in the Delhi NCR. "This body will perform the job of coordinating activities between the States," Union Environment Minister Prakash Javadekar said on Friday.

Encompassing Delhi, Punjab, Rajasthan, Haryana and Uttar Pradesh, the all-powerful body assumes several powers to coordinate action among States, levy fines – ranging up to ₹1 crore or five years of prison – to address air pollution. It was brought in via an ordinance.
