Environment Minister says, Govt to replace all normal bulbs with LED bulbs in next few years to reduce carbon emissions and save energy

Union Minister of Environment, Forest and Climate Change Prakash Javadekar has said that the government will change all normal bulbs of 40 to 60 watts with LED bulbs in a few years from now. He said, in the last six years of Narendra Modi government, two billions normal bulbs have been replaced with LED bulbs.

Addressing Sri Ram College Commerce Business Conclave through video conference, Mr Javadekar said, this initiative will not only help save carbon emissions but also it will save energy. He also mentioned that India is one of the leading countries in renewable energy and at present the country's renewable energy capacity is 136 GigaWatt.

136 GW → Solar

Mr Javadekar informed that India has already reduced its emissions intensity by nearly 26 per cent and it is committed to cut it by 35 per cent by 2031.

On the issue of climate change, the minister highlighted that India is not responsible for climate change as its contribution to historical carbon emission is only three per cent whereas US accounts for 30 per cent, Europe too 30 per cent and China accounts for nearly 20 per cent. He also announced a competition for college campuses to become sustainable green campuses.

5 security men killed in Sukma encounter

Over 400 personnel on combing operation attacked in Chhattisgarh; woman among 2 Maoists dead

VIJAYA SINGH
NEW DELHI

Five security personnel were killed and more than 12 injured in an encounter with Maoists in Sukma district of Chhattisgarh on Saturday.

Two of the dead were from the Central Reserve Police Force (CRPF). At least three Chhattisgarh police personnel are missing.

The body of a woman Maoist was recovered from the site of encounter, a senior CRPF official said. One more cadre was said to have been killed.

According to the official, a joint team of the Chhattisgarh police comprising the District Reserve Guard (DRG) and the Special Task Force (STF), along with various teams of the CRPF, proceeded for a combing operation in south Bastar on Friday

Deadly attacks

Sukma has witnessed several Maoist attacks in the past. A look at some of the previous encounters

MARCH 23, 2021: Five DRG personnel of the Chhattisgarh police killed after their bus is blown up by a powerful bomb in Narayanpur district

MAY 9, 2020: A sub-inspector of the Chhattisgarh police killed in an encounter with the Maoists in Rajnandgaon

MARCH 22, 2020: 17 members of a police patrol killed in an ambush in Sukma

OCT. 27, 2018: Four CRPF personnel killed in an ambush in Bijapur district

MARCH 11, 2017: 12 CRPF personnel killed in an ambush in Sukma district

night. The region is said to be a Maoist stronghold.

More than 2,000 security personnel from various camps are said to have joined the operation.

Around Saturday noon, a 400-strong team of security forces came under attack by a People's Liberation Guerilla Army (PLGA) platoon in the Tarrem area near the

Sukma-Bijapur border. The exchange of fire lasted more than three hours.

"From 4 p.m., there has been no firing, but the security forces are still there in the jungle. Till the time every personnel reaches their respective camps, we cannot say that the operation is over," Director-General of Police, Chhattisgarh, D.M Awasthi

told *The Hindu*. He said at least seven personnel were evacuated by helicopters as they required urgent medical attention.

The deceased CRPF personnel have been identified as constable Babloo Rabha and Somaiya Mandvi.

Mr. Rabha belonged to the elite Commando Battalion for Resolute Action (CoBRA)

of the CRPF, a unit specially trained for operations in areas affected by left-wing extremism.

The nearest camp of security forces is located 12 km from the encounter site, the DGP said.

Another official said further clarity would emerge by Sunday morning as the area did not have adequate communication facilities.

The area is a stronghold of the South Bastar divisional committee of the banned CPI (Maoist), headed by Raghu, and falls under the Jagargunda area committee, led by Papa Rao.

The attack comes close on the heels of the March 23 incident when five DRG personnel were killed as Maoists blew up a bus carrying security personnel with an IED in Narayanpur district.

Centre praises Rajasthan's achievements in ration card scheme

State 12th in India to undertake reform that enables migrant families to get PDS benefits from anywhere

SPECIAL CORRESPONDENT
JAIPUR

The Centre praised the achievements of Rajasthan in the implementation of the "one nation, one ration card" scheme to enable migrant workers and their families to access the benefits of the public distribution system (PDS) from anywhere.

Rajasthan is the 12th

State to successfully undertake the reform.

Food Secy visits State

Union Food Secretary Sudhanshu Pandey, who was on a visit to the State over the weekend, observed the process for biometric authentication and transparency in the distribution of ration under the National Food Security Act (NFSA).

Mr. Pandey held discussions with the State government officials on the arrangements for procurement of wheat in the rabi marketing season 2021-22.

Chief Secretary Niranjan Arya apprised Mr. Pandey of the initiatives launched for the supply of foodgrains under the PDS and various inspections undertaken in the field every Saturday

during the last three months.

The demand for making the process for procurement of wheat offline in the current season was reiterated before the Food Secretary.

'All implemented'

State Food & Civil Supplies Secretary Naveen Jain said all the announcements

made in the budget for the welfare of ration dealers had been implemented and steps taken for strengthening the NFSA.

Mr. Pandey suggested that the State government construct more warehouses for storing the foodgrains and ensure optimum utilisation of the resources provided by the Centre to protect the interests of farmers.
