

Direction: Study the following carefully and answer the questions given below.

P, Q, R, S, T, U, V and W are eight family members who are going to attend a marriage function in Ludhiana. They attend two functions one is engagement and second is marriage. They sit around a circular table in the engagement but they sit around a rectangular table in the marriage function. In the engagement, they wear clothes of different colour viz: Red, Blue, Orange, Green, white, Black, Purple and yellow but not in same order. In marriage function they wear clothes of different colour viz; Brown, Violet, Pink, Cream, Peach, Silver, Golden and Grey but not in same order. In engagement, four of them are facing towards the center and four of them are facing away from the center as four persons are talking to other persons by sitting facing away from the center. In marriage, three persons are sitting on the each width side and one on each length side of the table facing the center. No two person faces same direction sits adjacent to each other in the engagement. T faces towards the center and wears dress of Red colour in engagement. T sits third to the left of the person who wears dress of Silver colour in marriage. The father-in-law of P sits opposite to the person who wears dress of Brown colour in marriage. Q is the father-in-law of P. Q and U is a couple. P's mother-in-law and V are sitting opposite to each other in marriage. Both the immediate neighbors of T face away from the center and wear dress of Orange or Green colour in engagement. Q's grandchild sits diagonally opposite to the person who wears dress of Golden colour in marriage. S faces away from the center in engagement. U's daughter in-law is sitting second to the right of the person who wears dress of Grey colour in marriage. T sits third to the right of U, who is her mother and wears dress of white colour and faces away from the center in engagement. R sits third to the left of U in engagement and R is the grandchild of Q and a child of T. V does not sit diagonally opposite to the person who wears dress of golden colour in marriage. The person who wears dress of Cream colour sits second to the right of the person who wears dress of Peach colour and second to the left of P, who is not sitting near to the person who wears dress of golden colour in marriage. W's son is sitting on the length side and to the right of the person who wears dress of Golden colour in marriage. The Person who wears dress of Peach colour and the person who wears dress of Cream colour are not on the same side of the table in marriage. The one who wears dress of Orange colour sits opposite to U in engagement. The one who wears dress of Blue colour is not the immediate neighbor of U and faces away from the center in engagement. Q's grandson is sitting third to the right of the person who wears dress of Grey colour, who is not sitting diagonally opposite to the person who wears dress of either Violet or Silver colour in marriage. P sits second to the left of R and does not wear dress of Purple or Yellow colour in engagement. The one who wears dress of Purple colour sits between W and U in the engagement. And he is the son of W, who is the son of Q. Q faces away from the center and does not wear dress of Blue colour in engagement. S is the daughter-in-law of Q.
