**Rearrangement of sentences-**

- (A) In fact according to main stream economists it is inevitable and a necessary evil in any economy.
- (B) It is thus important for every nation to maintain this reserve of labour force to maintain an optimal level of unemployment
- (C) Unemployment is popularly believed to be an index which measures the economic condition of a nation.
- (D) This is because it helps avert inflation by providing a reserve army of labour which keeps wages in check
- (E) The problem, however, only emerges when governments indirectly facilitate unemployment in order to curb inflation through various policies and frame works, depriving a large population of its fundamental rights.
- F) But contrary to popular belief unemployment is not always disadvantageous to the economy of a state.
